Dear Mark,

Enclosed is a copy of the Jack Anderson column which uses some of the new evidence I filed with the appeals court.

I've also had a phone call from a reporter friend in Connecticut who read what his paper got on its UPI wire --not credited to the column --and it is word-for-word the column item. It also was embargoed for two days not to appear before the column did.

Unless the wire was garbled I cannot explain UPI's use of the column without credit to it.

However, I did mail copies of everything I filed to UPI.

Best wishes,
